

Lilypad's Friendship Machine

A printable activity sheet for **Lilypad and the Quest for the Glimmering Gears**

Name: _____

Date: _____

1 1. Pick someone to help

Lilypad makes an invention that helps a lonely creature. Choose one person, animal, or make-believe character your machine could help.

My machine helps: _____

It helps by: _____

2 2. Draw your invention

Draw your Friendship Machine here. Add gears, a phone, a wing, or any helpful part you imagine.

3 3. Take a brave step

Lilypad takes a small brave step even when she feels scared. A safe brave step I can take is:

Share your drawing with a grown-up, friend, or classmate. Ask: "How does my idea help someone?"
