1 1. Move like Pip

Choose a comfortable movement for each word. Ask a grown-up or teacher to join in.

2 2. Make your own story words

Pip's name is fun to say. Invent a pair of playful words for a new animal friend.

My animal is a: _____

Its playful words are: _____

3 3. Draw a joyful tail

Draw Pip or your own animal friend. Add a tail, a happy face, and a place to play.

4 4. Share the joy

One kind thing I can do to help a friend smile is:

Read your playful words aloud, create a safe movement, and invite someone else to try it with you.
